Surface *Studies.*

A collection of decorative surfaces.

FORM
TEXTURE
COMPOSITION

From imagination to your space.

A surface.
A point of view.

A wall can give a room its character. This VAVI selection brings together botanical forms, geometric rhythms and richly detailed ornament.

Explore each composition as a whole. Notice its palette, the direction of its lines and the way light and shadow are represented.

Begin with *the details.*

Bring the design reference and a little context about your space. The studio can help you take the next step.

For your selection

Share your preferred design, wall measurements and a photograph or drawing of the space.

To be confirmed with VAVI

Dimensions, finish, thickness, availability and suitability for the intended installation require confirmation for each design.

Images are visual references. Confirm colour and surface character with a sample before specifying. Chapter names describe visual themes; design numbers identify the artwork.
